

Building a Toolbox for Healthy Farms, Yallaroi, NSW EXPRESSION OF INTEREST

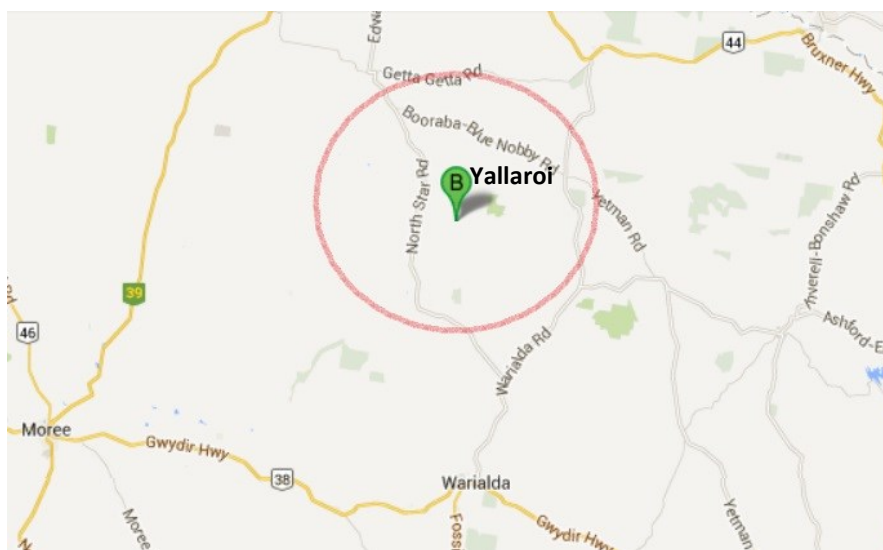

Upper Gwydir Landcare Association has been successful in gaining funding through the Commonwealth Government Department of Agriculture, Fisheries and Forestry, Community Landcare Grants to run 'Building a Toolbox for Healthy Farms, Yallaroi, NSW' project. Overall project target is building soil health, including salinity, awareness of soil organic carbon, measuring soil health and its impact on overall farm health.

The project includes 3 day's of workshop lead by Inform Ag's Bart Davidson.

We are currently seeking expressions of interest for landholders who would like to participate, **places will be limited**. The project includes:

- 3 day's of workshops
- 1 day of lessons learnt
- 10 trial sites
- Soil testing

Project Area

Applications Close 30th September 2013
